# WILDCATS PRESIDENT'S REPORT

Welcome to Woongarrah Sports Fields where today the Wildcats host the Avoca Beach Sharks.

Both clubs have had solid starts to the season once it got under way and are performing well which should ensure four quality games this afternoon for supporters.

An added highlight is the challenge to take home the 'Hoban - Woods' trophy for the best performed club from today's games.

For those new to our club the 'Hoban - Woods' trophy was struck in honour of two stalwarts of both clubs, Andy Hoban from Avoca and our own Steve Woods, who have, and continue to contribute significantly to their respective clubs.

Whilst today's games will be fiercely contested we look forward to the after game function with Avoca Players, officials and supporters here at the ground and later at our major sponsors The Dam Hotel.

You will see set out in our match day program the generous sponsors without whom we would not be able to run our senior and junior club and I ask that we all ensure that we utilise and support them when you are looking for products or services that they provide.

Hopefully the weather will hold out for the games.

RYAN HAZEL  
President
